beautiful objects that work

Modo Collection Sella

A cubist approach to comfort

Cumberland Modo Collection
Sella Seating
 Designed by Gary Lee Partners

The design of Sella seating takes its cue from the enduring shape of the cube. Three versions—a lounge chair plus 2- and 3-seat sofas—provide options for furnishing a complete reception area. All models feature fine detailing on the back banding and interconnection of the arm into the back panel.

Discreet detailing for a smooth, refined look

Classic hardwood frame compliments upholstery detailing

Fully upholstered arms for plush comfort
