Metros

Extensive choice and practical appeal

Metros Conference Table
Designed by Cumberland

Choice is the hallmark of Metros conference tables and the basis of its practical appeal. Wood and stone tops offer a wide selection of aesthetic options. Elemental cylinder bases, in metal, faux leather, or veneer, complement a variety of top shapes. Choosing to locate power/data units on the tabletop addresses communication and productivity needs while simultaneously concealing cords and wires.

Specifications

Conference tables are available in wood or stone tops in a variety of top shapes and edge options combined with cylinder bases and optional power/data units. Tables with power/data units include wire management system between bases and a door in the cylinder base.
