Specifications

The wood bench is available in three lengths with a tufted, upholstered seat cushion. The top is available with a full cushion or a partial cushion with a wood tabletop or removable tray. Very thick or unusual fabrics and leathers cannot be tufted as shown. In these cases, they will just have buttons. The base is constructed of maple veneer and solids, with double dowels and corner-blocked legs and rails. Legs have nylon glides. The seat is 4"-thick multi-density polyurethane foam. Catalyzed lacquer finish in all Cumberland Maple finishes. Benches with removable serving trays feature a recessed wood top to support them.
