beautiful objects that work

Elle Collection

The language of line and surface

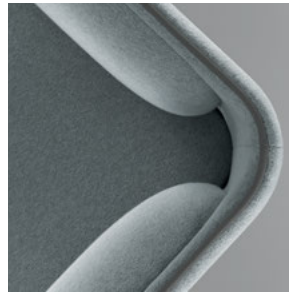

Elle Lounge Seating
 Designed by Cory Grosser

The Elle lounge chair, sofa, and modular seating share continuous lines that convey fluidity and motion, inspired by the energy of skateboarding. Planes and lines combine for a youthful elegance and a fresh style.

Modular components include ganging mechanisms for secure connection

A continuous welt emphasizes the curves and lines of each piece

The lounge chair carries an uninterrupted line from front to back and top to bottom

Specifications

The Elle Collection includes a lounge chair, 2-seat sofa, and modular seating including left, right, and armless center modules. All have fixed multi-density polyurethane foam cushions and nylon glides.

Options:

Upholstery: COM/COL, Fabric, and Elmo Leather Program

Contrast: The welt can be specified in a material different from the rest of the piece
